No puppy will be placed on hold until this application is approved by the breeders Becky and Don D'Allaird. The placement of our puppies is the most important part of our business. Our goal is to ensure that each of our families are completely educated on the commitment and responsibility that a new Chihuahua puppy requires and have the resources required to care for a new puppy. I / We understand that by signing this application it does not guarantee me the purchase of a puppy or to be placed on a waiting list. I / We also understand that the breeders Becky and Don D'Allaird have the final say as to whether to approve or deny the application. The breeders Becky and Don D'Allaird will notify you within 96 hours of receiving this application as to its approval status.
